1. Groups of workmen have been arriving at the factories making aviation motors, situated northeast of Sverdlovsk, between Khabarovsk and Denishkina (sic). In addition, groups of German technical specialists are arriving in the same factories, to undertake technical direction. There is already a group of Soviet specialists, who work for these factories independently.
2. The factories receive electric power from the central station of Beroj. The power is generated by the Irtysh (Irish) and Tawda Rivers.
